

(ombre)

a shadow

(elle se cachait le visage)

(eyes closed)

the snow against my skin

(her voice)

(silence & cold)

une ombre

(she could not sleep)

(elle ne put dormir)

(reduced to silence)

scent of rose

the moon is pure, she walks in air

(la nuit)

(la belle nuit)

she spoke in the darkness

(la flamme très claire)
(la flamme très claire)

in Winter
in shadow

(la séduction des fleurs)

some interior vision

vibrations of the air

of light

saw her that same hour by his side. surprised, startled, terrified

this *thing unknown*

A lady in her own house hears a voice singing.

(What of the silhouette)

if you sit before a mirror where

Space no obstacle , & time annihilated

(rend)

may be magnified into

see bright transparent

dream of a cut

cut

imagery speed of thought

take down the light

slam the door quickly

the remembrance of an
action

mechanisms of memory

the dream fading from the field

I perceive objects and there is nothing there
there is no-one there and I have not spoken

*Little by little this
image melted*

memories which weave

There is more to say
but I must hasten

extraordinary transformations

a lawn with white flowers. It

write the words incorrectly,
changing, omitting

We must distrust theories

the abolition of of duration

Will this alone suffice? These sensations of light

regulate the reappearance of

whisperings

a season of disquietude

ghost sky

dream of trusts

shrill startling notes

the voice of a panther & experience terror

(it approaches you)

(twine in your dreams)

windows &

webs

passing and strange objects

(you will suffer for another's wild folly)

(Property will not console)

(you will unwillingly conform)

dream of winter,

(strange writing)

draw a map of it

draw a map of it
