

day by day

still more joys

to find

fall  
back

into

winter

oh

& if

to

have

fine  
blue

&  
breath

enter

into

begin

draw words

each word

shaded

letters of

of light

open

open

drawn into

the other

& so

so on

toward

eat light

transform

heard

her own voice

hers

sinuous

outpourings of songs

rain

making the night vast

vanished

in dreams

dreaming  
requires

so much

decipher  
evening

Speak it

tell it

spontaneously

begin

between

the names

ascend

the  
sleeping

sky

day

perhaps

what  
do you

needs

the outward form

glowing

world

the

world

the fire

into sight

like thunder

written

in between

become part

in

time

**begin**

**now**
