text 41: dictionary source, 6 pages giving 58 words

bird's call clearing clouded space

study the forms, morphology,

gather originals, preserving before grappling with,

being eclipsed by, loss

skill in speech: a tool for cutting

causing questionable behaviour

another presence forming between

which, surrounding,

leaves a line of blue light absorbed in water

signal making process visible

where things formed

fragments, temporary

beyond this moment

what remains?
