

what tips  
over

how

how

what the eye  
holds

arm  
be  
now  
still

a centre which is folded inside our tongues

to learn a new focus  
a diversity

who's electric?

bone sounds

glimmer

today

windows  
and

cautious movements

lights

when

is the time to

speaking

out?

seeds for swift return

could we?

are we?

a winter garden approaches

if home haunts  
us

night guides

readers of human things

so many other  
spaces

entering earth

those travelling will arrive

wherever  
you  
look

not without shadows

it continues
